--------------------------------	---	----------

1767, Kautz founded. Population 141. Town lasts til around 1942 when last inhabitants are sent to Siberia by Stalin and town is destroyed by German army.

Pre-1767:Catherine the Great pomotes homesteading by Germans on Volga river. Enticements included transportation, tax breaks, land, interest free loans, no military service. My Reiter descendants take deal, move from Germunden (near Dusseldorf) Germany to a spot 69 miles SW of Saratov: Kautz.(Russian name is Werschinka)
